FIVE COUNTRIES, TWENTY STATES SEND RECORD STUDENT BODY

Twenty states, the District of Columbia, and five foreign countries are represented at Governor Dummer for the 1958-59 school year. There are one hundred ninety-nine boarders and twenty-seven day students, making a total of two hundred and twenty-six boys. Every available room is filled, including two extra spaces made available by changes in faculty housing. In addition, one boy has had to be assigned temporary room in the Duncan Infirmary.

Students outside of Massachusetts come from the following states: California 4, Connecticut 10, Florida 2, Illinois 7, Iowa 1, Louisiana 1, Maine 8, Missouri 1, Nebraska 1, Maryland 1, Michigan 1, Minnesota 1, New Hampshire 8, New Jersey 8, New Mexico 2, New York 22, Ohio 4, Pennsylvania 6, and Rhode Island 4. There is, in addition, one boy from the District of Columbia.

Foreign students come from Bermuda, Canada, and England. In addition the British West Indies (Trinidad) and France are represented by American boys whose parents are now resident in those countries.

MANY CAMPUS IMPROVEMENTS COMPLETED DURING SUMMER

The school maintenance staff has completed an unusual number of summer projects this summer both inside and outside the buildings.

One of the most noticeable improvements is the development of a first-rate lawn around the Frost Building and a notable amount of landscaping there and around the relocated Perkins Building. A feature of the planting at Frost Building is a twenty-foot white spruce tree given by the late Mrs. Benjamin Pearson of Byfield, nurtured for many years on the Ambrose House lawn, and now moved to a

PRINCETON FAVORED BY CLASS OF '58 GRADUATES

Fifty-one of the fifty-two seniors who marched around the Milestone at last June's Commencement were winners in the hectic modern competition for college admission. Six won admission at Princeton, four at Hamilton, three each at Amherst, Brown, Denison, Harvard, and Kenyon, two each at Cornell, Ohio Wesleyan, and Yale, and twenty at other colleges where each will be the lone representative of his class.

Ten-Year Survey Emphasizes High

Rank of Colleges Entered by Graduates

Governor Dummer can be proud not only of the extremely high proportion of its graduates who gain admission to college, but also of the high caliber of the colleges who admit them. Mr. Stone's office has provided *The Archon* with the following list of all colleges to which ten or more Governor Dummer graduates have been admitted in the past ten years, together with the number admitted.

THREE NEW TEACHERS JOIN GOVERNOR DUMMER FACULTY

Mr. Eames has announced the appointment of three new men to the faculty this year.

Mr. Robert Friend, III was graduated from Dartmouth College in June 1958 and will teach English. He is assistant corridor master in Moody House and is assistant coach of J.V. football. His younger brother Miriek is a member of the senior class.

Mr. Robert Homer was graduated in 1957 from Amherst College, where he captained the ski team. Here he is teaching English, is assistant coach of J.V. soccer, and is assistant corridor master on Ingham 2.

Mr. Gary A. Shortlidge was graduated in 1958 from Williams, where he played varsity football and lacrosse. At Governor Dummer he teaches History, Mathematics, and Civics, and is assistant coach of varsity football. He is assistant corridor master on Ingham 1.

SENIOR GLEE CLUB WILL MAKE DEBUT AT PARENTS' DAY DINNER

For the past few weeks the Glee Club has been holding rehearsals in Lang Gymnasium. Mr. Sager has again had to disappoint a number of candidates and limit the club to fifty-five boys. Robert Pouch has been elected president and Walter Gallant will be accompanist.

The Glee Club will make its first appearance on Parents' Day, October 25, with an arrangement of *A Mighty Fortress Is Our God*. This hymn was sung at Commencement last year and was enjoyed by everyone.

The first combined concert with a girls' school will be on Saturday, February 14, when the club will travel to the Walnut Hill School in Natick. On Saturday, March 7, the club will entertain the Dana Hall School Club and on Friday, April 10, the Beaver Country Day School Glee Club. On Friday, April 24, the Governors will be the guests of Abbot Academy at Andover.

The highlight of the season will be the New England Preparatory School Music Festival concert at Symphony Hall, Boston, on April 19. The Commencement concert in June will climax an active season.

CAPEL AND VERMILYA ADVANCE IN SCHOLARSHIP COMPETITION

Mr. Eames has been notified that two of the Academy's seniors, William W. Capel of Champaign, Illinois, and Peter T. Vermilya of Princeton, New Jersey, have been named semi-finalists in the 1958-59 National Merit Scholarship competition, which is sponsored by a group of leading American industrial companies.

Capel and Vermilya are among 10,000 of the highest scorers on the Scholarship Qualifying Test, a nationwide college aptitude examination given in over 14,000 high schools last April. Outscoring over 479,000 fellow seniors, they now face another rigorous three-hour examination on December 6. Those who repeat their high scores on this second test will become finalists in the competition, and 735 of this group will ultimately qualify for four-year scholarships at the colleges of their choice.

Last year Kenneth A. Weene became a finalist in the program and in 1957 Ned Stone, Robert Temple, and Peter Ober reached the final stage, Ned Stone going on to win a Merit Scholarship.

NEW TELEPHONE SYSTEM MEETS GROWING NEEDS

For many years the automatic telephone exchange, installed at the Academy in 1940, has been sadly overtaxed by the growing needs of the school. Designed to accommodate a maximum of twenty stations, it had been forced to accommodate extensions and extensions on extensions, and still some buildings were without telephone service.

The new system is similar to the old one but is capable of handling fourteen outside lines and one hundred local sub-stations. The most immediate benefit of the new system is that Ambrose House, the Cottage, and the Farmhouse are being added to the school system and that separate phones can be installed in the Alumni Gymnasium, the Maintenance Shop, and the bookkeeper's office where only extensions had previously been available.

NEW ADMISSION OFFICE IS ADDED IN PHILLIPS BUILDING

For the second time in three years, the increasing number of applicants for admission to Governor Dummer has forced the school to provide increased facilities for interviewing the candidates and processing their applications. In 1957-58 Mr. Witherspoon's office handled a total of 865 inquiries and interviewed a total of 441 candidates.

Since a great many of these inquiries and interviews were concentrated in the months from December to May, there were days when two or three families had to be interviewed at the same time. Mr. Ashley Eames, as assistant admissions officer, conducted interviews in the Cobb Room, in the Perry Room, in the dining room, — wherever he could find seating and reasonable privacy.

During the last few weeks the former book-keeping office and a small storage room near the school store have been thrown together to make an office for the assistant director of admissions. Part of the large coat room space opposite the business manager's office has been enclosed to provide an office for Miss Page.

SECONDARY SCHOOL ADMISSION TESTS GIVEN AT ACADEMY

Governor Dummer joined the Secondary School Admission Test Board in the spring of 1958 and will again use the Secondary School Admission Tests as part of its admissions program for boarding candidates for the fall of 1959. These are the tests used by nearly 200 preparatory schools in much the same way that the colleges use the College Board examinations. They are administered by the Educational Testing Service in testing centers throughout the country and in some foreign cities. The test dates this year will be December 13, 1958 and February 14, 1959, although a candidate may take the tests on only one of these dates.

This will be the third year in which these tests have been used. The number of candidates taking the tests for all schools grew from something over 3,000 the first year to nearly 10,000 last year. Governor Dummer,

participating on a limited basis in the first year, received 100 sets of results that year and 331 sets last year. The program is still too new for complete validity studies to have been made, but preliminary studies, based on the schools' experience with boys who have completed their first year of preparatory school after having been admitted on the basis of the S.S.A.T., encourage the belief that, properly used in conjunction with the candidate's record from his previous school, the S.S.A.T. is the answer for both candidates and schools to the problem of testing large numbers of applicants.

It is hoped that candidates for Governor Dummer will be in touch with the school by November 15 in order to allow time for registering for the December administration of the tests, because the number of vacancies for boys who wait until the February administration is necessarily reduced.

MORE BRIEFLY

The following members of the Senior Class have been elected cheerleaders for the current school year: Bill Brian, Larry Churchill, Bob Dietz, Ray Ferris, Steve Hesse, Fred Huntress, Bob Pouch, Pete Sherin, and John Slater.

Again this year Mr. Murphy will be a guest moderator at meetings of the Great Books Discussion Group held in West Newbury.

ASH EAMES '49 AND MRS. EAMES ENTERTAIN SOME OF THEIR NINTH-GRADERS IN THEIR MOODY HOUSE LIVING ROOM

THREE MASTERS MARRIED DURING SUMMER VACATION

During the past summer three of the Governor Dummer faculty were married. With Mr. and Mrs. Nangle vacating Ambrose House and Mr. and Mrs. Stone vacating Moody to move to their own home in Newburyport, considerable changes in faculty housing have resulted.

On August 2 at Lebanon United Presbyterian Church in Pittsburgh, Pennsylvania, Mr. Robert E. Anderson was married to Miss Lois W. McCormack, daughter of Mr. and Mrs. Paul T. McCormack of Jackson, Michigan. Mr. and Mrs. Anderson are now living in Ambrose House where Mr. Anderson is corridor master.

On August 14 in the Chapel of the First Unitarian Church in Worcester Mr. E. Ashley Eames was married to Miss Sarah K. Hardy, daughter of Mr. and Mrs. Herbert C. Hardy of that city. Mr. and Mrs. Eames are now

living in Moody House in a portion of the apartment formerly occupied by Mr. and Mrs. Stone, and Mr. Eames is acting as house master in that building.

On June 28 at Ascension Memorial Church in Ipswich Mr. Peter R. Sutton was married to Miss Jean Sager, daughter of Mr. Arthur W. Sager of the faculty and Mrs. Sager. Mr. and Mrs. Sutton are living in an apartment on Commons 2, where Mr. Sutton is corridor master.

ROBERT E. DIETZ, IV CHAIRMAN OF VESPERS USHER GROUP

Chairman of the vespers ushers this year is Robert E. Dietz, IV. Assisting him in the task of seating students and guests at the Sunday evening services are: Jon Bailey, John Catlett, Ralph Coffman, Charlie Eddy, David Ellis, Rick Friend, Randy Light, Howie Medwed, Cal Ringquist, Alan Tucker, and Jeff Wilson.

SCHOLARSHIP AWARDS MADE TO NEWBURY RESIDENTS

At the annual meeting of the Governor Dummer Allies on September 10 in the Cobb Room it was voted to award three \$50 scholarships to the following Newbury boys: William S. McPhee, Jr., Bertram S. Noyes, Jr., and Roger G. Williams. The awards will assist these boys in attending the Academy as day students during the present school year.

The new Richard Little Dodge Scholarship, established by Laurence P. Dodge of Newburyport in memory of his son Richard, a graduate in the class of 1940, has been awarded to John M. Carroll of Newbury.

Since all four boys are, in accordance with the definition of the scholarship awards, day students from the Township of Newbury attending Governor Dummer, all four are among the recipients of Town of Newbury Scholarships which cover their tuition. These \$50 awards, therefore, are designed to help defray their other school expenses.

SIGNAL SYSTEM EXTENDED TO ALL CAMPUS CLASSROOMS

The International Business Machines electric chime system installed in the new Frost Building to mark the beginning and end of class periods was extended during the summer to the Noyes Library, the Lang Gymnasium, and to the classrooms in Parsons and Peirce.

The need to avoid overhead wiring complicated the installation because, in order to insure complete synchronization of all the chimes in all the classrooms, it was necessary to connect them all to the master clock already installed in the Frost Building. The problem was solved by burying one cable from the Frost Building to the electric room in Lang Gymnasium. In that room a relay controlled by the I.B.M. clock in the Frost Building operates a power supply which rings the chimes in the buildings on that side of the campus.

The additional chimes have made possible another improvement; i. e., the introduction of a five-minute "passing" period between classes.

EDITORIAL

At the beginning of every school year, a vast amount of extra curricular activity becomes available to the entire student body. Boys attending Governor Dummer for their first year are encouraged to participate in the school clubs, periodicals, and discussion groups and to work on the publications; returning students are asked to assume a greater amount of responsibility in the various organizations that they have been associated with in the past. Too often, however, many students, old and new, hesitate to become active in these groups. Consequently, they fail to benefit from one of the most worthwhile and rewarding phases of school life.

It is necessary, of course, to be very selective in one's choice of activities. The amount of time required by the organization and the particular advantages it offers must be taken into consideration. It is imperative that one does not "overload" his schedule and endanger his scholastic endeavors. Also, one must be aware that each activity requires a certain amount of responsibility.

With this in mind, every student should consider the many phases of school life available to him, choose one or several of the most suitable activities, and become an active part of the school he attends.

DR. ARTHUR W. EWELL, TRUSTEE FOR FORTY YEARS, DIES AT ROWLEY

Dr. Arthur W. Ewell, who served faithfully as a trustee of Governor Dummer from 1915 to 1955, died on October 8 at the age of 85 in Rowley, where he had made his home for many years.

A physics professor at Worcester Polytechnic Institute for thirty-nine years, and head of the department until his retirement in 1939, he was also a consulting engineer in the field of refrigeration.

MR. EAMES AND MR. STONE ATTEND EDUCATIONAL CONFERENCE

On October 30 and 31 Mr. Eames and Mr. Stone will attend the Twenty-third Educational Conference under the auspices of the Educational Records Bureau and the American Council on Education in New York City.

Mr. Eames will preside at the Friday morning session, which has for its general topic "Strengthening the Quality of American Education." He will introduce the following speakers: Mr. John H. Fischer, Superintendent of the Baltimore Schools; Dr. Alan T. Waterman, Director of the National Science Foundation; and Dr. Lester W. Nelson, Treasurer and Associate Program Director of The Fund for the Advancement of Education (Ford Foundation).

Mr. Stone is a member of the standing committee on Tests and Measurements.

RADIO CLUB PLANS TO BUILD AND OPERATE TRANSMITTER

This year's Radio Club, a small but enthusiastic group under the supervision of Mr. Fenn, held its first meeting on October 6 and elected the following slate of officers: Sandy Cate, President; Stephen Blair, Secretary; and Peter Machinist, Treasurer.

The club is planning to build and operate a transmitter in their clubroom in the basement of Ingham in order to send and receive signals over a small area. In this way inexperienced members will be given a chance to work towards obtaining their amateur's license and more experienced members will have an opportunity to develop their interest in the field of radio.

PETER M. SHERIN IS ELECTED PRESIDENT OF THE SENIOR COUNCIL

Every year, in the spring term, the junior class elects fifteen boys to serve as the Senior Council the following fall. Holding this position of responsibility this year are Burdette E. Bostwick, Jr., William L. Brian, III, Walter B. Cannon, Scott H. Cappel, Robert E. Dietz, IV, Charles R. Eddy, Jr., Raymond W. Ferris, III, Stephen B. Hesse, Frederick A.

Huntress, Ferguson R. Jansen, Jr., Charles F. Langmaid, C. Randolph Light, Robert H. Pouch, Peter M. Sherin, and Everit B. Terhune, III.

At their first meeting the Senior Council elected Peter Sherin president for the coming year. The Council then proceeded to discuss with Mr. Eames and Mr. Navins, the advisors to the Council, the purpose of the Council.

The Senior Council is a very important part of the school. Besides the usual functions of headwaiting in the dining room, helping at the movies on Saturday nights, and providing relief for masters on corridors, these boys are the coordinators of school spirit.

WORLD POLITICS GROUP MEETS IN NOYES LIBRARY

On ten evenings during this fall and winter a group of local people are meeting in the Noyes Library to discuss World Politics. These adult discussions are sponsored by the American Foundation for Political Education as part of its nation-wide program. The discussions are based on readings selected by the Foundation. Mrs. Chalmer J. Carothers, Jr. of Byfield is chairman.

Among other groups meeting in Academy buildings this fall are the Governor Dummer Allies, who held a card party on October 15; the Women's Auxiliary of the Massachusetts Medical Society, Essex North District, on October 14; and the Smith College Alumnae Club on November 13.

spot off the southwest corner of the classroom wing of Frost Building. Other plantings include a wide variety of yew, mountain laurel, hawthorne, inkberry, blueberry, rhododendron, juniper, and flowering crab.

Other sizable summer projects included a new system of sub-tile drainage for the infield of the varsity baseball field, extensive remodeling of Mr. and Mrs. Navins' apartment in Peirce Hall, additional boys' rooms in Moody House and Ambrose House, and the usual amount of repainting and redecorating.

MR. AND MRS. LIVINGSTON MOVE TO NEW BRITAIN, CONNECTICUT

Mr. H. Richards Livingston, after eleven years as head of the Governor Dummer history department, has accepted a teaching position at the New Britain, Connecticut High School. Mrs. Livingston, who tutored in remedial reading at Governor Dummer, will continue this work in the New Britain school system. Mr. and Mrs. Livingston will be missed by their many friends at the Academy and in the neighborhood.

After one year of teaching at Governor Dummer Mr. Clinton E. Nangle left last June to assume a new post as Director of the Newburyport Businessmen's Association. He is living in Rowley and spends part of his time in writing a book. Mr. George H. Edmonds also has left after one year's service and has accepted a teaching position at Thayer Academy in South Braintree.

JUNIOR GLEE CLUB TO HAVE FOUR JOINT CONCERTS

Again this year Mr. Arthur W. Sager is directing the Junior Glee Club, which held its first rehearsal on October 12. Last year the club elected Jeffrey M. Mitchell president to succeed Nathanael Greene.

The club will have four joint concerts this year; one will take place here, three away. At each concert a dinner party for the members of the two clubs will precede the concert; at each one dancing will follow. The first concert will be on January 17 at Beaver Country Day School, Brookline. The Governor Dummer Club will be hosts to Walnut Hill on January 24. On February 28 they will be the guests of the Shore Country Day School, Beverly, and they will travel to Wellesley on April 11 for a concert with Dana Hall Junior School.

MORE BRIEFLY

Many of the alumni will be saddened to hear of the death last summer in Florida of Rupert Dewar, for many years head carpenter and valued member of the Academy's maintenance staff.

RIFLE CLUB WILL FOSTER INTRAMURAL COMPETITION

On Sunday, September 28, the Governor Dummer Academy Junior Rifle Club officially started its 1958-59 shooting season. With a record membership of forty-five, the Rifle Club is planning many activities. Currently, rifle safety is being stressed and new members are being taught range procedure.

Also, under the leadership of Mr. Fuller, faculty advisor, and Pete Bostwick, president, the club is planning an intramural league which will shoot all through the winter. Trophies and brassards will be provided by the National Rifle Association. The teams in the "Governors Nato League" will be captained by Pete Bostwick, Dave Chilton, and Murray Mathews. In conjunction with the large membership, there is expected to be increased use of the range in the coming year.

ALUMNI DINNER DATES ARE ANNOUNCED FOR 1958-59 SEASON

Alumni are urged to note the following dates and to make plans to attend the annual alumni dinners in their areas.

Portland: Wednesday, December 3, at the Lafayette Hotel.

North Shore: Thursday, December 11, at the Boston Yacht Club in Marblehead.

New York: Thursday, April 9, at the Williams Club of New York City.

Boston: Thursday, April 16, at the Harvard Club of Boston.

THE 1958 SOCCER TEAM

Left to right (*kneeling*): Stephen Volpone, Scott Cappel (*Captain*), Peter M. Sherin, Paul Buckingham. (*Standing*): Calvin Ringquist, Randolph Plass, Geoffrey Nichols, William Whiting, Arnold Wood, Alan Tucker, John Czelusniak.

SOCCER TEAM BEATEN BY ANDOVER AND MILTON RIVALS

At the commencement of the varsity soccer season the outlook was not favorable. To most of the team varsity competition was new; before the first game Mr. Navins and Mr. Coolidge, the coaches, had only eight practice sessions in which to mold the team and come up with the right combinations.

On October 1 the Red Team met Phillips Academy. The Andover squad had more experience and depth, and although the Governors went on the field with much enthusiasm, the game ended with a 4-0 victory for Andover.

On Saturday, October 4, the team went to Dedham to play Noble and Greenough for its first league game. The starting lineup was composed of Cal Ringquist and Pete Buckingham at the outsides, Captain Scott Cappel and Pete Sherin at the left and right insides respectively, Bob Pouch at center, Jack Czelusniak, Alan Tucker, and Geoff Nichols at

the halfbacks, Arnie Wood and Randy Plass at the fullback positions, and Bill Whiting in the goal. Throughout three periods both teams gave their utmost with the score still unchanged at 0-0. The fourth period came and the tension rose; with forty seconds to go, Pete Buckingham kicked the ball right in front of Nobles' cage. There was a mad scramble, and Steve Volpone put the ball in for the winning goal.

Governors Come from Behind to

Score First Victory in League Game

With renewed confidence and enthusiasm, the Red team met Browne and Nichols on Whipple Field on October 8. Browne and Nichols began by getting a goal in the second period, but the Governors stormed back, and on a perfect center from Cal Ringquist, Scott Cappel tied the score. In the two overtimes, the team continuously pressed the opposing defense until Pete Sherin made the winning goal. The final score was 2-1.

The next Saturday the soccer team took the field against Brooks, on a cold windy

day. Both teams were aggressive, but neither could score. Bill Whiting made some excellent saves, while Alan Tucker did well at center halfback. In the two overtimes both teams did their utmost to score, but the game ended in a 0-0 tie.

In a non-league game on October 15 the Governors entertained Belmont High and were beaten 4-0. Belmont was in full command of the play in the first half and scored all their goals in the first two periods. In the second half the Governors assumed control, threatened often, but were unable to score against the aggressive well-coached visitors.

The game at Milton on October 18 saw two evenly matched teams battling on even terms. Milton broke the deadlock in the third period. Pete Bostwick retaliated for the Governors in the fourth; and Milton made the decisive score late in the game.

JUNIOR VARSITY SOCCER HAS TWO-THREE RECORD

The 1958 J.V. soccer team has a two and three record so far this year. After only one week of practice the team opened its season at Phillips Academy, Andover, on October 1 and was defeated. In the second game the Governors showed improvement but were unable to overcome Roxbury Latin.

The coaches, Mr. Ashley Eames, Mr. Nathan Fuller, and Mr. Robert Friend, then found an effective combination which led the Red Team to victory against the Browne and Nichols team, 3-1. Captain Raymond Ferris played especially well, and he was given added support by Tom Cervasio and George Hartman.

The game at Andover against the Brooks School J.V.'s turned out another victory for the team. Duke Morton scored an exciting goal late in the last period to give the Governors their 1-0 margin.

At Milton on October 18 the Governors played superb ball and held Milton scoreless for the first period. Two quickies put them behind in the second; and they were three behind in the fourth when Jebb Selden booted in their only goal on an assist by George Hartman.

GREEN VARSITY ELEVEN HANDICAPPED IN OPENER

On September 21 the predominantly inexperienced varsity football squad held its first of ten practices before their first scheduled game. During those ten days the candidates learned the fundamentals of offense and defense while at the same time they learned the basic plays necessary for the offense.

Hardly having the time or the experience essential to form a compact team, the Governors played their first game of the season on October 4, at St. Sebastian's Country Day School in Newton. The lack of practice unfortunately was a great deficit in favor of the St. Sebastian eleven, for the visitors dropped this game 20-7. Bill Tuxbury scored the Governors' lone touchdown in the third period when he took a pass from Randy Light at the thirty-yard line, spun away from several tacklers, and crossed the goal line standing up. Pete Boynton kicked the extra point.

Moses Brown Team Proves Too Fast for Governors' Defense

The Governors were hosts to Moses Brown on October 11. There was vast improvement in the team as a whole and the Governor Dummer defense held the lightning-fast Moses Brown backfield to one touchdown in the first half. In the second half the Governors missed two chances to score. — once when Kent Dumont jumped high in the air to snag an end zone pass by quarterback Randy Light but did not have enough time to get a good hold on it before he was hit by defenders. — again when a trickling pass to fullback Whit Kimball was just out of his grasp. Brilliant running by Lonnie Churchill sparked the Governors to their many first downs. The final score of the game was 22-8. A pass from Randy Light to Bill Tuxbury accounted for the Governors' score.

The Governors dropped a third game at Milton on October 18 but nevertheless looked more like a ball club, especially in the last three periods, than they had at any time previously. They went into the second period trailing by three touchdowns, then started to roll and continued until they were at one point only a single touchdown behind their hosts. Bill Tuxbury scored first for the Governors on a short pass from Randy Light in the second period. Lonnie Churchill and Dick

Nalchajian each added a score by rushing in the third period, and Whit Kmiball went over from the one-yard line on a fourth down rush near the end of the game.

Randy Light's passing, Kent Dumont's running were notable and the backfield play in general showed to much better advantage than in previous games. In the first period and again toward the end of the game the Governors' defense was weak; but during the mid periods it stiffened and there were some flashes of brilliance.

LIGHTNING ELEVEN DROPS OPENER TO BROOKS TEAM

The Lightning football squad lost its opener to the Brooks School, October 8, by the score of 12-6. The game was a closely contested, hard-fought battle right down to the final gun. The Governors collected their only tally in the first half on a fine pass from quarterback Richard Snowdon to halfback

John Lowe. They failed to make the point-after-touchdown but were leading at the half 6-0. The Brooks team, headed by Steve Yafa, managed to grind out two touchdowns in the second half despite rugged line play by the Lightnings. Dean Hale, Robert Hendrix, and Sam Wakeman all played a fine game up front. Halfback Denis Golden also made several long runs and is expected to be a big ground gainer in the backfield. Despite losing the first game, Coaches Williams and Sutton have high hopes for this year's team. "The line," Coach Sutton said, "is far superior to last year's, although a bit smaller and lighter."

Denis Golden scored the Governors' only touchdown against an Andover Lightning team at Andover on October 15, while the Andover offense rolled up a total of forty-nine points.

The other half of the Lightning squad, playing as a pony team, dropped a 14-0 decision to the Ipswich Freshmen on the same day.

J.V.'S TIE EXETER TEAM IN OPENING ENCOUNTER

Governor Dummer's Junior Varsity football team initiated its 1958 season on Wednesday, October 8, against the Phillips Exeter Junior Varsity B Squad. The opener was played to a six to six tie.

The J.V.'s played outstandingly well on defense against a very evenly matched Exeter team, holding them to two first downs. David Stringer and Burke Leahey both played well at line-backer positions. Quarterback John Canepa also played very well defensively.

The Governors' offense was sparked by quarterbacks Slater and Canepa and by new boy James Hunt. Hunt made the J.V.'s only touchdown after receiving a short pass from Canepa, and also punted beautifully in fourth down situations. Stanley Thomas, also a newcomer to G.D.A., performed admirably on offense, making one very long run and several shorter gains.

Exeter's only touchdown was made on a long run, the only good gain the Exeter team made all day.

On October 15 the J.V.'s suffered a 40-0 setback at the hands of the powerful Andover

J.V. Second Squad. Dana Steele and John Canepa played well on offense and Ted Dietz sparked the Governors' defense.

PONY SOCCER TEAM BEATEN BY ANDOVER CLUB TEAM

On Wednesday, October 1, the Pony soccer team opened its season against an Andover club team and was beaten 5-0. All the victor's goals were scored in the first half; in the second half the Governors played much better ball and held Andover scoreless.

Center Thomas Tobey and right outside Ronald Dow several times combined to threaten for the Governors but never managed to score. George Hawkins scored a near miss in the third period and Rick Zinn also came close on a penalty kick.

On October 15 the Ponies gained a pleasing 1-0 victory over the Belmont High School Sophomores. Millar Brace, with an assist from Ronnie Dow, scored the Governors' goal early in the first period. Fullbacks Peter Machinist and Geoff Robinson and goalie Tom Mercer sparked a strong defense that turned back every threat by the visitors.
